Professional Objective

Marketing professional with proven experience driving digital strategy, content development, consumer insights, and cross-functional campaign execution.

Professional Experience

Founder & Brand Strategist – Auto Detailing Business

Los Angeles, CA | Oct 2024 – Present

- Produced 20+ original short-form video assets for TikTok and Instagram, generating 55,000+ combined impressions and scaling owned audiences to 300+ followers within three months.
- Direct end-to-end customer lifecycle communications — scheduling, intake, and post-service follow-up — across multiple channels to maintain a consistent customer experience standard.
- Operationalized a structured post-engagement feedback loop, leveraging client input to drive iterative service quality improvements and retention gains.
- Conduct weekly performance analytics across content and engagement metrics, applying insights to refine creative direction and increase audience engagement by 35%.

Brand Marketing & Content Strategist – FitLicious Meal Prep

San Fernando Valley, CA | 2025 – Present

- Executed experiential brand activations across 5+ partner gym locations, generating 100+ weekly consumer touchpoints and 200+ trial-product distributions per week, contributing to a 15% lift in inbound inquiries and social acquisition.
- Owned the editorial calendar and content production pipeline for @FitliciousMealPrep, publishing 8–12 multi-format Instagram assets per month across static graphics, short-form video, and story sequences.
- Conducted post-timing and hashtag optimization informed by engagement data, driving measurable lift in Instagram engagement rate and sustained audience reach

Marketing Intern — Lakai Properties LLC

Los Angeles, CA | Aug 2025 – Dec 2025

- Executed a multi-channel B2B outreach program via outbound calls and email sequencing, securing 12 strategic partnerships with insurance providers, relocation services, and first-responder networks, contributing to a 20% lift in qualified tenant referrals.
 - Architected and deployed a cross-platform organic content strategy spanning Instagram, TikTok, and Facebook, producing 30+ branded creative assets — flyers and short-form video — that drove a 40% increase in engagement and 60% follower growth over four months.
 - Owned social account management and the content calendar, monitoring channel-level KPIs and optimizing publishing cadence to improve reach and post-engagement performance.
 - Authored on-page SEO-optimized blog articles and landing page copy informed by targeted keyword research, driving a 25% increase in organic search traffic.
